<td>$208</td>
</tr>
</tbody>
</table>

*Students with Quebec Health Insurance:
Students who hold Quebec health insurance are responsible for making payment and submitting their claims to the Régie de l'assurance maladie du Québec for reimbursement. Reimbursement forms can be found on their website.

*If you allow your provincial health insurance to lapse:
You will be billed for the services at the time of the visit. We will provide a receipt, which you can submit to your provincial health insurance plan for reimbursement, once you have been reinstated.

*Pap done by Physician – is not covered by insurer when you are away from your home province:
If your Canadian Health Insurance is from a province other than BC, your insurer will not pay for a Pap when you are out of province. If done by a Physician, the fee for this procedure is $35

*Payments: Due at time of service
