

2019 Approved Proposals

Department	Job Title	Supervisor
Irving K. Barber School of Arts & Sciences		
	Software developer, website assistant	Trudy Kavanagh
	Indigenous Oral Stories, literature collection and data-base	Jeannette Armstrong
	The Negative Heritage Project Research Assistant	Lindsay Der
	Modulating brain cell functions with biological molecules	Andis Klegeris
	Biodiversity research assistant	Jason Pither
	Development of a multi-modal exosome diagnostics assay	Isaac Li
	Developing molecular probes for super-resolution microscopy	Isaac Li
	Green chemistry using carbon nitride photocatalysts	Robert Godin
	Guided Inquiry Based Experiments in First-Year Chemistry	Tamara Freeman
	Assessment of oxygen tolerance by an oral pathogen	Kirsten Wolthers
	Psychology Project Assistant	Susan Holtzman
	Programmer for 'Indra's Net' Collaborative Game	Liane Gabora
	Programmer for 'A Smile Goes a Long Way' Cultural Evoln Project	Liane Gabora
	Mobile Application Developer (Healthcare)	Mohammad Khalad Hasan
	Canadian Geology Collection Digitization Project Assistants	Stuart MacKinnon
	Undergraduate Research Assistant	Manuela L. Ungureanu
School of Engineering		
	MFC Retrofit Pilot Undergraduate Support	Deborah Roberts
	Modeling and prototyping of novel power converter systems	Liwei Wang
	Laser Micromill Process Developer	Ian Foulds
	Research Assistant for Opioid Research in BC	Sepideh Pakpour
	Research Assistant Machine Learning	Md Jahangir Hossain
	Research Assistant	Mohammad Zarifi
	Green Synthesis of Graphene Oxide and Reduced Graphene Oxide	Mohammad Arjmand
	Lab Assistant for Multi-Axis Positioner Design and Assembly	Loïc Markley
	Development of gas sensors for detection of dissolved gases	Mina Hoorfar
	Research Assistant-3D Bioprinting System	Keekyoung Kim
	Research Assistant - Transportation	Mahmudur Fatmi
	SMARTer Growth Prototyper, Designer, Coder, Tech Tester, NZr	Gord Lovegrove
Faculty of Health & Social Development		
	Graduate/Undergraduate Academic Assistant	Nelly D. Oelke
	Program Evaluation of a National Digital Technology Platform	Mary Jung
	Research Assistant - Smoking Cessation & Spinal Cord Injury	Heather Gainforth
	Cardiac Technician Assistant	Mary Jung
	Work Study Graduate Research Assistant	Rachelle Hole
	VOICE Student CoResearcher - Student Food Insecurity Project	Joan Bottorff
	Research Assistant - Developing Strong Research Partnerships	Heather Gainforth
	Interdisciplinary Research Team Member Position	Donna Kurtz
Other		
	Inclusion Project Assistant	Jenica Frisque
	Community and Knowledge Mobilizer	Christine Schreyer
	Let's Talk Science Site Coordinator - Marine Biology	Dr. Tanja Voegel
	ORS Research Tool Liaison	Kristen Korberg
