

Go Global Preliminary Study Plan

Use this Preliminary Study Plan to identify 6-10 courses you could take at each of your top three partner university choices. Upload your completed plan to your Go Global exchange application.

UBC Student Number: _____ Name: _____

UBC Faculty: _____ UBC Major / Minor (if applicable): _____ / _____

I plan to go abroad in _____ of the ____ year of my degree. When I return, I will have ____ terms left until I graduate.

[IMPORTANT] Please read the following and check the boxes to indicate that you acknowledge these statements:

- I understand that course content and availability at my host university may change; Go Global **cannot guarantee** access to specific courses or whether available courses will meet my degree requirements.
- I understand that this plan will **not** be used for my actual course registration at my host university.
I understand that this study plan does not guarantee UBC will award the **transfer credits** I listed.

Considerations to plan for success:

- See how exchange / study abroad through Go Global fits into your UBC degree
- Familiarize yourself with program and course offerings at your top three partner university choices
- Identify opportunities to fulfill elective, program and degree requirements while abroad
- It is your responsibility to ensure that the universities you apply to align with your goals

Not sure where to start?

- Check your Academic Progress in [Workday](#) or contact an Advisor in your faculty to determine the best time to go abroad
 - which credits do you still need to fulfill (e.g. requirements, electives...)
 - when are your degree required courses offered at UBC? (e.g. only offered in term 1)
- Review the [Partner University Pages](#) for institutions you're interested in to:
 - connect to the partner's website to find out what courses are typically offered and their semester dates
 - verify the credit equivalency ratio to determine how the partner credits will transfer back to UBC
 - use the [Transfer Credit Course Search*](#) to see examples of courses previous Go Global students have transferred back from exchange in the last 5 years.
 - * Not all previously evaluated courses listed are offered every session at the partner university. This is a general guideline only. If you don't see a particular course listed, it simply means that it has not yet been taken by a UBC student yet. Go Global will provide more information on this process after you have been matched and prior to your departure.
- Review the partner university's own course website:
 - note that course catalogues for your term abroad might not be published yet; choose potential courses from the current or most recent listings
 - look for courses that are open to exchange students
 - remember to check the language of instruction
 - check the level of the course and if there are any pre-requisites
- Review the exchange Transfer Credit Process for your UBC campus ([Vancouver](#) or [Okanagan](#)) to understand how your exchange credits transfer back to UBC:
 - depending on the course content, courses you take on exchange can transfer back as equivalent to a specific UBC course (e.g. PSYC 331), unassigned credit at the department level (e.g. PSYC 3rd), unassigned credit at the faculty level (e.g. ARTS 1st), or Elective credit (ELEV 1st).
 - note relevant deadlines for initiating review of your courses for transfer credit

Partner University: _____

FIRST CHOICE (1st of 3 choices)

Semester Dates: UBC Term(s) _____ = _____ to _____ at the partner university.
(mmm-yyyy) (mmm-yyyy)

By checking this box, I confirm that I have checked the semester dates at this partner university and that these dates align with my future plans.

It's always good to have options! Identify 6-10 courses you could take at this partner university.

	Courses at the Partner University	Course already on the Transfer Credit Database ?
1	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
2	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
3	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
4	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
5	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
6	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
(7)	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
(8)	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
(9)	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____
(10)	Course name: _____ Department/Faculty: _____	<input type="checkbox"/> YES, the equivalent course at UBC is: _____ <input type="checkbox"/> NO, but I think it will transfer back as: _____

Partner University: _____

SECOND CHOICE (2nd of 3 choices)

Semester Dates: UBC Term(s) _____ = _____ to _____ at the partner university.
(mmm-yyyy) (mmm-yyyy)

By checking this box, I confirm that I have checked the semester dates at this partner university and that these dates align with my future plans.

It's always good to have options! Identify 6-10 courses you could take at this partner university.
