

THE ROADMAP TO YOUR EXCHANGE

UBCO Global Engagement Office

RESEARCH

Decide if going abroad is the right fit for you. Browse through our website to explore different types of exchanges and the duration you want to go for. Research available [partner schools](#) and academic opportunities that interest you.

ACADEMICS

Ensure that you meet the [eligibility](#) and academic requirements to apply for exchange. You can also begin to check which courses will align with your [degree requirements](#) for necessary graduation requirements.

PREPARING YOUR APPLICATION

Start creating your application through the [Go Global website](#) and begin collecting all of the necessary documentation you will need to provide.

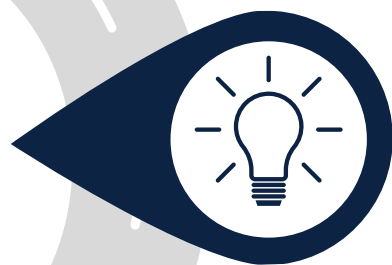

APPLY TO GO GLOBAL

Ensure you submit your application before the [deadline](#) date. After applying to Go Global, check your email around 6 weeks after the application deadline for further instructions.

LEARN

Attend information sessions hosted by the Global Engagement Office to learn more important information. Browse through the [Go Global website](#) or meet with our [Advisors](#) to answer any questions regarding exchange.

PARTNER SCHOOL APPLICATION

The last step is to apply to your partner school, once you have been matched. This part of the application process differs for every partner school.
